

****NEW POLICY****

This year, a paid membership in IMPOA will be required for participation in the Annual Dumpster Days, August 14th-15th. In the past, membership has been encouraged, however, due to declining membership renewals, and increasing costs due to the overwhelming success of dumpster days, (this year we will have three dumpsters vs. two), the board felt this change was necessary. At a cost of only \$35/annually, membership is still affordable. Please renew your IMPOA membership now! You can obtain a membership form through the links on our website.
